## Need-to-Know Information

### **Customer Proprietary Network Information (CPNI) Notice for Residential, Small and Medium Business Customers**

CPNI is information that relates to the type, quantity, destination, technical configuration, location, amount of use, and billing information of your telecommunications or interconnected VoIP services. This information is made available to us solely by virtue of our relationship with you. The protection of your information is important to us. Under federal law, you have a right, and we have a duty, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services such as video, wireless, Internet, and long distance. Visit [verizon.com](http://verizon.com) for a complete listing of our services and companies.

For residential, small and medium business customers, you may choose not to have your CPNI used for marketing purposes described above by calling us anytime at 1-866-483-9700. When you call, please have your bill and account number available. Your decision about use of your CPNI doesn't affect our provision of services to you nor eliminate all Verizon marketing contacts.

Unless you call us at the number above, Verizon may use your CPNI to market different types of services beginning 30 days after the first time we notify you of the CPNI policy described above. You may elect at any time to add or remove a restriction on the use of your CPNI. Your choice remains valid until you change your election by calling the number above.
