News You Can Use

PREVENT DISCONNECT

All charges must be paid each month to keep your account current. However, "basic service" and its applicable taxes and surcharges MUST be paid to avoid disconnection. Currently, for this account that amount is \$80.60. Failure to pay non-basic charges may result in other collection activities, including restriction of toll calls.

CARRIER INFORMATION

Our records indicate that you have selected MCI or a company that resells their services as your primary local toll carrier and MCI or a company that resells their services as your primary long distance carrier. Please contact us if this does not agree with your records.

THIRD-PARTY BLOCKING

AT&T sometimes bills charges on behalf of other companies. We offer third-party bill blocking to prevent billing of certain "enhanced" service charges, at no charge. Third-party bill blocking does not affect billing for long-distance or operator services. It also does not affect billing by AT&T affiliates or members of our marketing alliances. To order third-party bill blocking, please call us at the toll free number on your bill. For additional information regarding third-party charges, please visit us online at att.net/smartcontrols-Cramming.
